

Safeguarding and Protecting Young People

Policy Statement

As a member of the Northumberland Badminton Association, Wallsend Bewicke Badminton Club, has adopted the Safeguarding Policy of Badminton England in its entirety, as it has been required to do. We are committed to following these policies and procedures and aim to adhere to the best practice and advice as outlined in the various supporting documents.

We encourage our members, players and parents to look through and consider these documents, all of which are significant elements of the overall policy.

A copy of these procedures is available for download by clicking on the link below:
